ACKNOWLEDGEMENT THAT THIS LICENSE IS MADE UNDER AND SUBJECT TO THE FOLLOWING CONDITIONS:

1. This License is subject to the Southgate Sanitation District Rules & Regulations, terms of service and Engineering Specifications found at www.southgatedistricts.org, which may be changed from time to time.
2. When approved by Southgate, this License constitutes a License to connect the premises described herein within its legally described boundaries to the wastewater collection system owned and operated by Southgate. No changes to the connection are permitted without Southgate approval.
3. The Owner/Applicant is the owner of the premises described herein or is the authorized agent of the owner.
4. Connection must be made within one (1) year from above Application Date. An extension may be granted by Southgate upon payment of any additional fees and charges in effect at the time of such extension request.
5. Southgate inspects all taps and makes record of the alignment. Southgate inspections are solely to insure compliance with Southgate standards and do not guarantee the work is appropriate or suitable for any purpose, nor satisfy requirements of other agencies. Contact other agencies for their respective inspection/testing requirements. Other agency inspections do not satisfy Southgate requirements.

PROCEDURES FOR CONNECTION TO SOUTHGATE'S WASTEWATER COLLECTION SYSTEM:

1. Submit to Southgate a completed License Application, Southgate fees, and City of Englewood's application for Southgate approval.
2. Visit City of Englewood, *after* Southgate fees have been paid, to pay City of Englewood's fees. The amount due to Southgate does not include City of Englewood fees. Send verification of City of Englewood payment to Southgate.
3. Make connection to Southgate's wastewater collection system per Southgate Rules and Regulations and specifications, of which can be found at www.southgatedistricts.org.
4. Call Southgate to schedule the inspection (303) 779-0261 prior to back-fill.

ACKNOWLEDGEMENT & RELEASE REGARDING SERVICE SIZES:

1. Southgate Sanitation District's Rules and Regulations expressly state that the size and adequacy of the connection shall be determined by the Owner, subject to the acceptance of Southgate. An application for an increase in the connection size and/or wastewater flow discharged to Southgate's wastewater collection system from any existing License shall be subject to payment of additional System Connection Charge(s).
2. The undersigned hereby acknowledges that Southgate is relying upon Applicant's representations and disclosures regarding Applicant's intended usage, of which dictates adequate sizing of the connection. The Applicant, and on behalf of the Applicant's successors-in-interest and assigns of this License, hereby releases Southgate from any and all liability, claims, damages or demands that arise, directly or indirectly, from the sizing of such connection.
3. Applicant further represents that by signing this License, Applicant has either (1) obtained an independent engineering or other expert consulting opinion regarding the adequacy of the size of the connection for the Applicant's intended use, or (2) that the Applicant waives the right to obtain such independent opinion and makes the application based upon Applicant's own determination as to the adequacy of the size of the connection for Applicant's intended use of the premises.
